ORCHIDS

PRICELIST ON BLOOMING
SIZE ORCHID PLANTS

SPECIE: <u>Cattleya</u>	Price <u>Per Plant</u>	Blooming <u>Season</u>
C. Percivaliana	\$4.00 to \$7.00	Nov-Dec.
C. Trianae	4.00 to 12.00	Dec-Mar.
C. Mossiae	4.00 to 8.00	Apr-May
C. Mendeli	7.00 to 10.00	May-June
C. Gaskelliana	4.00 to 7.00	June-July
C. Iabiata	4.00 to 8.00	Oct-Nov.
C. Speciosissima	15.00 (very large)	Feb-Mar.
C. Schroederiae	5.00 to 7.00	Mar-April
C. Leoni (hybrid)	12.00 to 15.00 (large)	Oct-Dec.

Due to market conditions here and abroad prices are subject to change without notice. All prices are based on size, specie, quality and general availability. The above Cattleya plants are all mature, blooming size plants of the best, larger flowering varieties; flowers ranging from 6 to 8 inches in diameter. WE DO NOT HANDLE OR SELL SEEDLINGS.

Shipping charges: 50¢ for the first plant and 25¢ for each additional plant. All plants are shipped OUT of pots. If you want shipment in pots add \$1 extra per plant for shipping. Plants ship better out of pots and you have only to replace in the same size pot from which plant was taken out of.

Beginner's Special Bargain Collections of 4 to 9 plants:
OUR SELECTION ONLY. ALL ASSORTED.

\$18 - \$25 - \$50 - \$75 - \$100 Prepaid by us. Best values always.

I guarantee plants to reach you in perfect condition summer or winter. We have 25 years experience in shipping goods.

You are cordially invited to visit my permanent Orchid display when in this area. Correspondence invited always.

Faithfully yours,

Samuel L. Presner
